

To whom it may concern,

We have abducted Gato.

If you want to see Gato again, you need to send us XMR 3.14159; yes, in Monero cryptocurrency.

If you cannot use Monero, we will accept the amount in Bitcoin: BTC 0.0165.

You have 3 days to comply; otherwise, we will send Gato to a very far away animal shelter.

Gato is warm... for now.
